Potato Night Proves A Successful Event

Potatoes from every angle imaginable were discussed and seen at the "Potato Night" on Thursday evening in Wesley Hall when the second season of the Saanich Potato Club was brought to a close with a display and demonstration in which the club members excelled themselves as both lecturers and demonstrators. Held in conjunction with the meeting of the North and South Saanich Horticultural Society, the event attracted well over 100 persons from all parts of the district, while a great many were present from Victoria.

Among these were Cecil Tice, field crop commissioner; P. C. Black, fertilizer expert in the Department of Agriculture, and H. Whitehead, president of the Victoria Horticultural Society, who presented the prizes to the contest winners. The Dominion Experimental Station and the Plant Pathology Laboratory were also well represented.

The club, sponsored by the North and South Saanich Horticultural Society, and under the direction of E. R. Hall and the Department of Agriculture, was one of the first to be organized in B.C. and there are only three other such clubs in existence in the province today.

J. B. Munro, Deputy Minister of Agriculture, gave an address on "The History of the Potato in B.C.," which brought out many points of interest, particularly to potato growers. "The ancient civilizations of South America sprang up where the potato grew best," stated Dr. Munro.

The potato was not known in North America but had been brought there by explorers and adventurers. It was Sir Francis Drake who introduced the potato to Europe, not Sir Walter Raleigh, he said.

It was some time, however, before the potato was eaten due to the fact that Europeans were afraid that it was poisonous like some of its near relations. It was fed to cattle for years, but finally Parmentier, Frenchman, managed to convince people that it was not only safe but beneficial.

Following the address the features of the program took place when the addresses and demonstrations were given by the club members and when prizes were awarded the contest winners.

Cecil Lines with a total of 234.1 points out of a possible 250, was awarded first place and was presented with the handsome cup donated by D. D. McTavish of Victoria, and also a cash prize of \$5.00. Iain Wilson, winner of last year's contest, with 229.6 points, took second place and received a special trophy donated by E. R. Hall, and also a cash prize of \$5.00. The third and fourth place winners, respectively, were Sam Arrowsmith, with 221.1 points, and

ATTENDING AMATEUR NIGHT?

Complete arrangements have been made for the big community "Amateur Night" to be presented in Stacey's Hall on Wednesday next, Nov. 20th, and which will commence at 7:30 p.m.

Groups and individuals from the entire district will take part and a wide range of local talent will indeed be "the order of the evening." An excellent program has been lined up from the list of entries and we feel sure that this entertainment will be one of real credit to our community. You are invited to be among the attendants and to enjoy a local program.

Candy will be sold during the entertainment. Prices of admission, etc., may be learned by turning to the Coming Events column.

REMEMBRANCE DAY SERVICE HELD MONDAY

With throngs of other men and women throughout the countryside who paid tribute to their fallen heroes on Monday, Nov. 11th, were scores from Sidney and district. Remembrance Day service was held at the Memorial Park, Sidney, under the auspices of the North Saanich Branch of the Canadian Legion.

A large gathering of residents comprising ex-service men, members of the Allies' Chapter, I.O.D.E., the H.M.S.E. Endeavor Chapter, Girl Guides, Boy Scouts, Brownies and Wolf Cubs, representatives of the Canadian Scottish and many others assembled round the cairn at 11 o'clock when service was conducted by Rev. T. M. Hughes, chaplain of the Legion, assisted by Rev. J. S. A. Bastin. Lament was played by Capt. C. R. Wilson on the bagpipes and Last Post was sounded on the cornet by George H. E. Green. Rover Scout John Gorton lowered the flag.

At each corner of the cenotaph stood guards with their flags—Kathleen Hammond representing the Girl Guides; Bruce Baker, the Boy Scouts; Laurie McNeil, the Brownies; and Brian Baal, the Wolf Cubs.

Following the service the official wreath of the Canadian Legion was laid by the president, Wm. Douglas, after which wreaths were laid by organizations represented and also individuals.

The order of service was: "Lament," "Last Post," Two Minutes Silence, "Reveille," "O Canada," Scripture Lesson, "Fight the Good Fight," Prayers, "O God, Our Help in Ages Past," Benediction, "God Save the King."

LOCAL SCOUT COUNCIL BUSY

Reports from the last meeting of the local Scout Council, held on Friday, show the following interesting facts:

The Sidney Troop will take part in the "Apple Day" being held on Saturday in Victoria by the Scout Association. This undertaking will help to advertise the B.C. grown apples and particularly those of Vancouver Island, and at the same time augment the Scout funds.

The call for old papers, magazines, books, etc., is still open and anyone having anything in this line is asked to get in touch with the boys immediately as what has already been gathered will be disposed of on Saturday.

The local Scouts will take part in the Scout football knockout being staged in Victoria on Saturday. Ray Byers is in charge of the team.

A "Toy Shop" will again be opened by the boys and it has been decided to send a bale this year to Sunset Prairie as the need in the local district is not as pressing as previously. Anyone having games, books, etc., that they have no further use for is asked to make same known to the Scouts or leave these with Scoutmaster

SCOUTS KNOW WHAT TO DO IN CASE OF FIRE

A number of Boy Scouts recently passed an examination, obtaining their fireman's badge. Scoutmaster King has a paper of 20 questions on which the boys have a written examination. These questions were very intelligently answered in the majority of papers and the knowledge obtained should be a lasting benefit to the boys throughout life.

The questions are as follows:

- 1—How would you turn in an alarm?
 - 2—Explain what you would do if you saw a fire in a house—not a big fire?
 - 3—Name at least five ways of putting out a fire.
 - 4—How would you run a line of hose to a house?
 - 5—What is a Y coupling used for?
 - 6—Name contents of a soda acid extinguisher.
 - 7—Where would you use the Samese coupling?
 - 8—What would you do with a gasoline or oil fire?
 - 9—What would you do with a gas fire?
 - 10—What would you do with a Christmas tree fire?
 - 11—How would you enter a burning house?
 - 12—How would you lower a person from a burning building and what kind of a knot would you use in dragging a person out?
 - 13—How would you use a jumping sheet?
 - 14—How would you rescue animals from a fire?
 - 15—What do you know about salvage?
 - 16—How would you handle a bush fire?
 - 17—How would you stop a grass fire?
 - 18—Where would you play a stream of water on a fire?
 - 19—What would you do if you were in a building full of people and a fire started?
 - 20—Give at least five safety rules against fire for the home and school.
- One of the papers was read at the Review office and showed very clearly that the boys who passed had taken a keen interest in the subject.

JERSEY CATTLE CLUB MEETS

Saanich Jersey Cattle Club held its November meeting last Monday at J. S. Braidwood's home in Foul Bay Road, Victoria, with President Burbridge in the chair.

Capt. Gibson gave a statement of accounts of the fourth annual dance which was received with applause as the profit was sufficient to allow of a donation to the funds of the North and South Saanich Agricultural Society and also to put the 1935 Calf Club on its successor in funds.

The chairman stated that at the next meeting of the calf club, it continued existence as a Heifer Club, 1936, would be arranged and some additional members could be admitted.

Ian Douglas then read from a Jersey publication an account of one of the periodical field days which are held there when young cattle are brought out for inspection by a judging committee which "commends" or "highly commends" giving certificates to that effect or rejects. If possible a young bull must be shown with his dam.

The chairman and Reg. Thompson would like to see a similar plan followed on this island and Major Macdonald, favored it. If production was considered in awards.

The next meeting will be held at Messrs. Easton and Barkinshaw's, near Shellbourne and Mount Douglas, on Dec. 2nd, when Dr. W. R. Foster will address members on "Line Breeding."

FAIR REPORTS PROVE VERY SATISFACTORY

By Review Representative

PENDER ISLAND, Nov. 13. — The annual meeting of the Pender Island Fair Association was held in Hope Bay Hall on Thursday evening with an unfortunately small attendance present to hear the excellent reports given by the secretary-treasurer, S. P. Corbett.

F. C. Smith was appointed chairman in the unavoidable absence of the president, W. Bowerman. The fourth fair held in August of this year was a most successful one, and while entries were slightly less than the peak year of 1931, the exhibits were of high quality and the treasurer's report showed the best financial returns thus far. In view of this, it was unanimously decided to donate the sum of \$25 to the Women's Institute as a token of appreciation of their loyal assistance and co-operation during the past four years. Some time was spent in revising and enlarging the prize list prior to adjournment.

CONFERENCE INTERESTING

By Review Representative

PENDER ISLAND, Nov. 13. — At the regular monthly meeting of the Women's Institute held in Hope Bay Hall on Thursday afternoon a most interesting account of the recent conference was given by the official delegate, Mrs. N. N. Grimmer.

During the business session further plans were made for the forthcoming dental clinic which is to be held here under the Department of Health in the near future.

It was also decided to give an evening program on Friday, Nov. 22nd, when Madame F. X. Hodgson of South Pender Island was kindly consented to sing. The amateur night which had been planned will be postponed until after the New Year.

Mrs. Reddyhoff reported a good start made on her basketry class with 10 ladies attending the lessons, and prospects of more coming. Classes are held each Monday afternoon. Following adjournment the Hope Bay ladies were hostesses at tea.

Elgar Choir To Aid Local Fire Fund

The Sidney Businessmen's Association held its regular monthly dinner meeting Wednesday evening at the Avenue Cafe with 18 members in attendance, Hugh J. McIntyre presiding.

After enjoying a very tasty meal prepared by Mrs. Frank L. Godfrey the meeting was called to order and the minutes of the meeting held at The Chalet were read and adopted.

F. N. Wright, in the absence of Everett Goddard, chairman of the fire protection committee, reported the progress being made in securing equipment. It had been decided by the committee to have a Victoria firm construct a square booster tank with a capacity of 100 Imperial gallons it being found that the large drum first intended for this purpose took up too much room. The tank is expected in the course of a few days.

The fire survey and canvass is being continued, and it is hoped to complete this big job before the new year.

The question of incorporating the organization then came up for discussion and after hearing many angles to the proposition J. J. White was selected as a committee of one to look into the various legal aspects and cost of same, also to secure information regarding insurance as regards public liability and property damage on the fire truck and hose car. Mr. White will report his findings at the next meeting.

The town planning committee reported on the work planned for the future and considerable discussion took place as to the care of the boulevards, it being advocated by many that plans be made to seed suitable grass and thus further enhance the appearance of Beacon Avenue. The committee is endeavoring to carry out a systematic scheme whereby the grass will be planted and cared for regularly.

A. W. Hollands, speaking on behalf of the Elgar Choir, then sprung a very delightful surprise on the members when he stated that he had been authorized to offer to put on a benefit concert for the purpose of assisting the finances of the fire brigade. This met with a round of applause and Mr. Hollands was thanked very heartily for this fine show of co-operation. The secretary was instructed to write the Elgar Choir secretary, accepting the offer and expressing thanks. The concert will take place some time in the new year.

The secretary was instructed to write to the new federal member of parliament, J. S. Taylor, congratulating him on his election and to state that dealings with the Dominion Government would be done through him, or, if taken up direct, he would be furnished with copies of correspondence.

A. W. Hollands, as president of the North Saanich Board of Trade, expressed appreciation of the assistance and co-operation of the Sidney Businessmen's Association in securing the landing facilities for small boats at Patricia Bay. Approximately 180 feet of the trestlework of the Canadian National Railway wharf was secured, after considerable negotiating between various departments, for use in constructing the approach to the proposed float.

J. J. White, chairman of the port committee, drew attention to needed repairs at the Beacon Avenue wharf and the matter of additional floats for the accommodation of visiting yachts, launches, etc. After some discussion the secretary was instructed to get in touch with the Public Works Department at New Westminster regarding these matters.

The matter of a public building for Sidney was then brought up and the chairman read a telegram from the Minister of Public Works at Ottawa, in answer to a wire from this association, stating that the matter of awarding the contract for construction of the building was being considered by Price Council.

Upon the members being informed that the yearly dues could now be paid a very enthusiastic response took place.

Two members, George Gray and N. W. Copeland, were welcomed back to the organization after extensive trips to other parts of the world, the former to the British Isles, the latter to the United States and Eastern Canada. Both declared they were glad to be back in Sidney.

The following members were present: F. N. Wright, Alex. S. Warrender, H. J. Readings, J. J. White, G. Gray, H. Rowbottom, Frank L. Godfrey, Geo. L. Baal, H. H. Shade, A. Critchley, W. Peddle, W. N. Copeland, F. G. Bowcott, A. W. Hollands, J. F. Simister, Samuel Roberts, A. L. Wilson, Hugh J. McIntyre.

"It was worthless until properly advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to sell. In a few years Gillette was a rich man. His company came to have a capital of \$6,000,000, with a profit of \$1,500,000 and factories all over the world.

One fact stands out: THE IDEA WAS WORTHLESS UNTIL PROPERLY ADVERTISED.

Why shouldn't you benefit by advertising? Harness the "power of the Press" to your own problem. Tell people about your product or service. And keep telling them! It's the hammer, hammer, hammer that brings the business in! Remember—

IMPERIAL VETERANS

Sir:—Please be good enough to permit the use of your columns for the following letter to Ex-Imperial soldiers and oblige.

For the purpose of organising a B.C. Provincial Command of the Imperial Veterans Corps (In Canada) with headquarters in Toronto and with other Provincial Commands in the Eastern Provinces, all Ex-Imperials of the Great War are requested to register either personally or by letter to Suite 10, 423 Hamilton Street, Vancouver, B.C.

The Hyndman Commission's report will be up for action shortly, and legislation enacted by the Dominion Government, which will have a bearing on the future welfare of Ex-Imperials in Canada.

Western organisation is therefore necessary in order that the position of Ex-Imperials in the West should have full representation and the efforts of the East and West co-ordinated, and those of other friendly elements augmented.

It does not necessarily follow that what one has, one can hold, experience has proven the contrary to be the case in many instances, therefore it is important that efforts be made to at least maintain the present status, and to obtain as much improvement as possible. This latter necessitates action, and organisation is the surest guarantee of proper consideration, therefore the responsibility rests upon all Ex-Imperials. For the Committee,

W. H. GRIFFIN.

GANGES, Nov. 13.—Ganges Institute held its monthly meeting in the committee room of Mahon Hall, recently.

In the absence of the president, Mrs. N. W. Wilson, the vice-president, Mrs. C. A. Goodrich, took the chair. Fourteen members and two visitors were present.

The secretary, Mrs. Charlesworth, stated she had received a letter from Richard Vander Bent of Victoria and a quantity of bulbs to be given as prizes for the Institute flower show.

It was decided that the committee room should be kalsomined and painted. The contract for this work was awarded to Harry Nichol.

The visit of Mrs. McLeish of Victoria was expected shortly. She will be the guest of the president, Mrs. N. W. Wilson. Mrs. McLeish will undertake, while here, to instruct two members of the Institute in the art of Ahmuk rug making, and they in turn will later instruct others. Those appointed to take the tuition were Mrs. A. B. Elliot and Mrs. Frank Stevens. The wool, loom and other expenses will be provided from the Institute funds.

The remainder of the afternoon was given up to the reading of an interesting and comprehensive report of the annual conference held recently at the Parliament Buildings, Victoria, where Mrs. Goodrich attended as a delegate.

The tea hostesses were Mrs. J. C. Kingsbury and Mrs. J. Anderson.

Dance At Ganges Hall Drew Large Number

By Review Representative

GANGES, Nov. 13.—The Halloween dance, which was held in Mahon Hall on Thursday evening, Oct. 30th, proved a jolly and successful affair, about 150 guests attending.

The dance was held under the auspices of the Salt Spring Island Agricultural and Fruit Growers' Association and was organized by the members of the Ganges Women's Institute. The decorations of the hall, stage and supper tables were attractively carried out in white, pale blue and yellow streamers festooned from the ceiling to the walls. A large lighted Jack O Lantern held a prominent position in the centre of the stage, and was surrounded by boxes of apples and pears, sacks of potatoes, vegetables of various kinds, chickens and a few ornaments, all of which had been donated as prizes. Mrs. A. Inglis and her assistants, Mrs. T. P. Speed and Mrs. C. W. Baker were responsible. Refreshments were served in the supper room adjoining. Long strips of black and orange paper crossed the tables from corner to corner, a pretty design in the centre, witches, black cats, half moons, etc., were placed at intervals. Yellow chrysanthemums and yellow apples helped the color scheme. The committee in charge of the supper arrangements included Mrs. A. Anderson, Mrs. J. Wintrup, Mrs. J. D. Reid, assisted by others. Mrs. F. C. Roberts acted as master of ceremonies and a four-piece orchestra from Victoria was in attendance.

The first prize for the best witch costume was awarded to Mrs. Walter Jansen; second, Mrs. S. Larden. Best Halloween costume, Mrs. E. Lumley, who represented a pumpkin; second, Mrs. C. W. Baker. The pig light dance was won by Mrs. D. Tweedhope and W. Hague, second, Miss Peggy Monk.

Those winning contest prizes were Mrs. D. Tweedhope, Mrs. W. Hague, Mrs. L. Bittancourt, Mrs. A. Campbell, Mrs. T. P. Speed, Miss Cora Daykin, Major A. R. Layard, Norman West, J. Bond, Frank Stevens and Alex. Hague.

You'll Hear Workingmen Say:

"Island Beers Are Best"

There is no more critical judge of beer than the working man... none who gives his patronage more loyally to the brand he knows to be dependable. That is why in mines and lumber camps, on construction projects... everywhere you'll hear men say: "Island Beers Are Best."

"You can't stop stoking a steam engine" said Wrigley

Interviewed, and asked to what he attributed his phenomenal success, the late Mr. Wrigley, of chewing gum fame, replied, "To the consistent advertising of a good product."

"But," asked the reporter, "having captured practically the entire market, why continue to spend vast sums annually on advertising?"

Wrigley's reply was illuminating.

"Once having raised steam in an engine," he stated, "it requires continuous stoking to keep it up. Advertising stokes up business and keeps it running on a full head of steam."

This applies to your business, too. Don't make a secret of your product. Tell people all about it. Tell them what it does. Tell them its advantages. Tell them where to get it. Tell them through the Press and keep on telling them.

GANGES I.O.D.E. PLANS MADE

By Review Representative
GANGES, Nov. 13. — Ganges Chapter, I.O.D.E., held its regular monthly meeting recently at the home of Mrs. A. J. Eaton, Ganges. In the absence of the regent the chair was taken by Mrs. C. E. Baker, first vice-regent.

There were 19 members present. Mrs. Baker stated that through the generosity of an anonymous donor the sum of \$7.50 had been presented to the chapter for the purpose of purchasing a colored blanket for the I.O.D.E. room in The Lady Minto Gulf Islands Hospital.

As new white blankets are also necessary for this room it was decided that they would be bought with the chapter's funds in hand, from the Kenwood Mills, Ontario.

The treasurer, Mrs. Frank Crofton, reported she had ordered a large supply of puppies, also the wreath to be placed on the cenotaph. On the occasion of the Armistice commemoration, members were asked to assemble at Ganges at 10:45 a.m. in time for the service at the cenotaph.

The educational secretary, Mrs. H. Moorhouse, took the orders for several I.O.D.E. calendars and also brought the card-board on which some of the members have undertaken to print the "King's Jubilee Message to Children of the Empire." These will later be distributed to all the schools.

A special collection was taken for the Stewart endowment fund, in addition to the sum voted from the chapter funds at the last meeting.

For the purpose of obtaining money for the Christmas hampers each member present promised to raise a small amount by whatever means she pleased, at the least one dollar, and bring same to the next meeting on Dec. 6th.

Those selected to deal with the distribution of hampers, etc., were Mrs. Desmond Crofton, Mrs. E. Walter, Mrs. V. C. Best, Mrs. H.

GANGES GIRL IS MARRIED

By Review Representative
GANGES, Nov. 13. — A quiet wedding took place in Saint Paul's Church, Ganges, on Friday, Nov. 1st, when Rev. C. H. Popham, vicar of the parish, united in marriage Freda Hill, daughter of Mr. and Mrs. Charles Gardner of Ganges, to Mr. Steve Little of Port Alberni. The bride, who was given in marriage by her father, looked charming in a gown of white bridal satin, gracefully fitted to form a train. She wore a turban to match and carried a bouquet of pink Ophelia roses, white carnations and fern. Attending her as matron of honor was Mrs. A. Gosling of Port Alberni, who wore a gown of blue chiffon velvet and turban to match. Her shower bouquet was of orchid chrysanthemums and fern. Mr. Arthur Gosling of Port Alberni was best man.

Mrs. V. C. Best presided at the organ. The reception was held at the home of the bride's parents, where the young couple received the good wishes of their friends under a prettily decorated arch. A three-tier wedding cake centred the table and was surrounded by pink tulle. The toast to the bride was proposed by Mr. Harry Nicholls. The guests were entertained with a solo, "Sweet Mystery of Life," sung by Mrs. Laurie Mount. For travelling the bride wore a blue tailored suit and matching accessories.

Mr. and Mrs. Little will make their home in Port Alberni. The out-of-town guests were Mr. and Mrs. W. Windwick and their daughter, Ina, of Vancouver, and Miss Alice Woods of Agassiz.

Johnson and Mrs. Frank Crofton.

Tea hostesses for the afternoon were Mrs. A. R. Price and Mrs. J. Mitchell.

The district of North Saanich has approximately 30 miles of coast line.

N.S. BROWNIES DISBAND

A number of Brownies of the North Saanich Brownie Pack, along with their mothers, were entertained to a delightful tea and sale of children's work by the North Saanich Brownie Association recently at the home of Mrs. E. W. Hammond.

Owing to the long distances that these children have to travel and the lack of transportation it has been found necessary to disband for the present, but it is hoped that this worthwhile work will be commenced again in the near future. In closing the association the funds were divided equally between the Junior I.O.D.E. and the Senior I.O.D.E. — \$5.50 going to both.

Anyone having Brownie uniforms is asked to please turn same in to either Mrs. E. R. Hall or Mrs. Hammond.

SIDNEY AND DISTRICT

Mr. and Mrs. A. Turner of Victoria were weekend guests at the home of Mrs. T. R. Davis, Swartz Bay.

"The League of Nations" was the subject at the meeting of the Y.P.S. on Monday when a very interesting talk was given by Mr. H. T. Ravenhill, a league representative from Victoria. Mr. Ravenhill has the distinction of being among the few persons to cycle across Canada and will at a meeting in December give his experiences on this trip. Next meeting will be addressed by Mr. J. Duff, who will give the first of a series of talks on the "Monetary System."

Mr. F. N. Wright of Sidney Super Service returned today from a business trip to Vancouver.

Fifty-two girls and boys have entered in the Rexall popularity contest at Baal's Drug Store and the standing of the contestants will be published in these columns each week in order that all interested may keep in touch with progress made.

Mrs. T. R. Davis, Swartz Bay, has had the pleasure of the company of her brother, Mr. C. B. Ross, for the past six weeks. Mr. Ross, an officer of the C.P.S.S. Empress of Japan, will rejoin his ship Tuesday next at Victoria.

Rev. Thomas Keyworth returned to Sidney the first of the week after being absent in Vancouver for several days, during which time he preached silver anniversary services at one of his former churches in Vancouver.

The Elgar Choir of Sidney, which gave such an excellent evening in Sidney last week, will journey to Victoria on the 19th, when the program will be repeated at the Centennial United Church. An outstanding evening of music is being put on on this occasion and will include besides the local choir members, items by the Ariel Singers and the Centennial Church Choir, both of Victoria.

Mr. Newman Mumford, who has been spending the past six months at his home at Deep Cove, left last week for California.

Dr. Harold G. Burden has returned from a trip to the east, made in the interests of the Rest Haven Hospital. He reports having spent a profitable time at the Mayo Clinic in Rochester, Minn., and also spent some time visiting with doctors connected with the world-wide work being conducted by the Seventh-day Adventists. At the recent world council held at Louisville, Kentucky, it was reported that there were 122 medical institutions employing over 5,000 physicians and nurses, treating nearly 500,000 patients and giving charitable service to the extent of more than \$400,000 per annum. This phase of the work began in 1866 and now represents an investment of nearly \$10,000,000 in buildings and equipment. One of the institutions being operated by the organization is the Zanditu Memorial Hospital in Addis Ababa in charge of Doctors Geo. C. Bergman and T. C. Nicola, who recently performed an operation on the Crown Prince in the presence of Emperor Haile Sellassie, the Empress, Princess and some of the officers of the cabinet, all of whom were dressed in sterilized garments. In expressing her gratification over the outcome of the operation the Empress said: "I was greatly impressed by Dr. Nicola's prayer before operating."
